Dear Certified Subscriber,

Congratulations on your decision to subscribe to services offered by the Houston Minority Supplier Development Council (HMSDC) for the coming year! By becoming a subscriber, you will be added to our MBE database. Your HMSDC subscription expiration coincides with your home council's certification and therefore will expire on the same date.

HMSDC is committed to assisting in the growth and development of your company. Our programs in 2024 will be geared to reinvigorate and place you on a path to success. After all, the Council's success will be measured by how well we respond to your needs and by the success that your company enjoys.

You are encouraged to attend as many HMSDC events as possible. It is here that you develop new business leads and strengthen those you already have. Results show that the more a company participates in Council activities, the more their involvement pays off.

If you are looking for new opportunities to get involved (such as serving on a committee) please contact HMSDC at (713) 271-7805. HMSDC is your organization to Certify - Develop - Connect - Advocate!

I am confident that by working together we can make a significant difference in the success of your business. Please do not hesitate to call anytime if we may be of assistance to you.

Congratulations again, and best wishes for success in the coming year.

Sincerely,

Ingrid Robinson  
President
